very, is now prepared to execute all orders for Sawing and Planing wood and to take the place for supplying wood-works for building hardware and carpenters and joiners work generally. The sawing, planing, matching, moulding and turning machines are of the latest and in perfect kind, and all work entrusted to the machine will be guaranteed to be turned out in a neat and ready and in a style with which hand-labour cannot compete. Contracts undertaken either for the supply of the necessary wood or for the fabrication of wood-works.

Mr. A. D. Mitchell having had several years experience in metallurgy is well qualified to undertake all work in the repair and construction of all weapons.

Terms can be ascertained on application to the Messrs. W. W. P. H. & Co.
